By the permission and mutual agreement from our colleges and universities in alliance, we (AEC) is authorized to use the AEC ESL Certificates and its testing results to replace the admission criteria and requirement of TOEFL or GRE scores for the admission decisions and program placement consideration as the alternative in the applying process. Our local ESL Learning Centers and the Training Class created by our contracted or assigned partners will generate and conduct the AEC ESL Examinations regarding those matters. AEC will reserve the rights for new adjustment and explanation.
